

GALGOTIAS COLLEGE OF ENGINEERING & TECHNOLOGY (GCET)

GALGOTIAS COLLEGE OF ENGINEERING & TECHNOLOGY ...

makes an amazing 100% placement record!

"I firmly believe that education without placement assistance and assurance has no meaning as it leaves an educated individual in lurch. Therefore, Industry interface is extremely important as it appraises the student expectations of their prospective employers and gears them up to meet the oncoming challenges. For this, Galgotias College of Engineering and Technology provides out of the box teaching techniques such as case studies, group discussions etc. Teaching here goes beyond the classrooms. Students are familiarized with the functioning and environment of the real corporate world."

Suneel Galgotia
Chairman

100% Placements ... the Galgotia benchmark!

Galgotias College **stands first** in the U.P.T.U. results of **MBA**, **second in MCA** and 8th in B-Tech final year in the entire U.P. region.

Galgotia Group of Colleges outshines with its stupendous success. Sure, it's the tested and trusted teaching methodology at Galgotias' that has made this possible. The die-hard attitude of the learners, the go-getting spirit of the faculty, all culminate into a cut-throat competitive edge that has won the Galgotians rich accolades.

Its celebration time at Galgotia Colleges as they prove themselves to be the best. It indeed was a test of knowledge, intellect and innovative abilities...and the Galgotians outdid others through sheer academic brilliance coupled with out-of-the-box thinking. Undergoing intensive learning programs, hard-core examinations, grueling practicals... the Galgotians were guided and groomed to become top-notch performers.

Undoubtedly, this noteworthy achievement is a result of unique pedagogical practices by eminent faculty, state-of-the-art teaching learning process, career-oriented curriculum and an exemplary academic infrastructure. Galgotias' has perfectly synergized theoretical knowledge and practical skills to promote all-round competence.

Mr. Suneel Galgotia, Chairman, Galgotia Group of Colleges applauds the outstanding performance of the students and takes pride in offering true assets to the society, industry and the world, in the form of Glorious Galgotians. He is extremely delighted to see the students turn into enlightened, enthusiastic and enterprising individuals. In his words,

"The focus here is on personalized attention, international level education, leadership quality and character building."

In the self-sufficient, sprawling and spacious campus, amidst the finest facilities, the students are offered best of education supplemented with soft skills and practical know-how to make them readily acceptable to the conventions of the corporate world. Needless to say, Galgotians are becoming the much sought after intellectual property by top business houses and big corporate groups such as Infosys, Satyam, Wipro Tech, NIIT Tech, HCL Tech, Syntel, Accenture, CSC, Birlasoft, L& T Infotech, i-Flex, ICICI Prudential, Kotak Mahindra, HDFC Bank, Vodafone, Cipla Ltd., Reliance & Reliance Digital, Idea Cellular, Bharti Telecom, Siemens, Sony, TCS, VSNL and many more.

Infact, a prestigious MoU with Infosys has inspired many others to visit the Galgotias' Colleges for Campus Connect Program. The Galgotia Group's coveted accreditation from Tata Consultancy Services has also gone a long way in reaffirming the trust reposed by the stalwarts in the Galgotia tradition of excellent education.
