Future Projects

With an eye on the future, Velammal's mantra has been to constantly innovate. On the anvil are different types of educational institutions like:

- Velammal Academic Leadership Institute
- Velammal Sports Academy
- Velammal College of Education
- Velammal Medical College Hospital and Research Institute.

The multi specialty Medical hospital in Madurai is the dream project of Shri. M.V. Muthuramalingam, when completed it would bring high quality medical care to the rural areas. This prestigious project worth Rs. 300 crores will take off in style by 2009, with a 1200 bedded teaching hospital that will offer treatment facilities in general medicine, surgery, specialties and super specialties from day one. At this hospital, most regular medical services will be free and major surgeries offered for a nominal fee.

Velammal is all set to become a University and take education to a higher plane.
