

Shri Ramswaroop Memorial College of Engineering & Management, Lucknow

Centre of Excellence

With excellent placement record, Shri Ramswaroop Memorial College of Engineering & Management, Lucknow has earned a distinction among students. All the courses run by the College are approved by AICTE and UP Technical University. Such high is popularity graph that it is going to attain the status of Deemed University in the next two years...

Shri Ramswaroop Memorial College of Engineering & Management (SRMCEM) has been set up in Lucknow with the aim to provide best of professional education in the fields of engineering and management. It was a dream of late Shri Ramswaroop Agarwal and Shri Lakshmi Narain Agarwal, a leading industrialist of UP that the College should roll out such students who could contribute to the cause of the nation. And the college feels proud today that it has achieved the goal set by its founders.

Recognized by AICTE and affiliated to U.P. Technical University, the College is soaring high under the able leadership of two gold medallist graduates of IIT, Kanpur, Mr. Pankaj Agarwal & Mrs. Pooja Agarwal, who have meticulously systematized the college as one of the premier institutions of U. P. Technical University. Coincidentally its Principal, Prof. A. K. Mehrotra, is also a product of IIT system. He has significantly contributed in building the image of the College.

The College is spread over a sprawling land of 50 acres located on Lucknow-

Faizabad road, approximately 20 kms. from Charbagh railway station. The built up area consists of administrative & academic blocks, canteen and hostel blocks etc. The college has a centrally air conditioned library, the state-of-the-art Computer Centre and the best of laboratories. Moreover, in accordance with the requirement of up-gradation and modernization in the rapidly changing scenario, restructuring and revamping of the infrastructural facilities is done on a regular basis. Expansion of the College is a part of the same process.
