

LAKSHMI NARAIN AGARWAL
Chairman, SRMCEM

Computer Science, Mechanical Engineering and Civil Engineering. In Management and Computer Applications, the College runs PG level MBA and MCA programs. SRMCEM runs UG level BBA and BCA programs, which are affiliated to the University of Lucknow. Another well crafted course run by the college is PGDM. The curriculum of the PGDM course is finalized in consultation with the experts from IIMs and other premier management institutions with a focus on Retail business, Advertising, Media Management and Financial services. The entry of the students in this course is ensured through CAT and MAT.

The College has a uniquely improvised system of functioning having a proactive faculty base. Its evaluation process is well structured, wherein each student is evaluated on multi-facets and motivated to add to their grade points at every step. Extra efforts are being made to give authentic practical exposure to students by training them on latest software and technologies from the industry. Apart from evaluation, extensive student interaction, colloquiums, seminars, projects and conferences are day to day exercises that the students are asked to participate in. The College has a Student Senate, which extensively discusses academic and other problems openly and transparently with the management.

Life at SRMCEM is like a mingled yarn. There are a variety of academic and non-academic pursuits that create a texture of professionalism for the students. There is always an emphasis on multiculturalism and cross-cultural communication to sensitize the students for a global environment. The college celebrates a peculiar inter collegiate cultural festival, which follows decentralized system of arrangements giving every student a chance to become a part of it. This festival provides diverse opportunities to the students in order to interact with various corporate houses, electronic and print media, various ethnic groups etc. Apart from this, a plethora of technical and sports activities are enjoyed by the students and faculties. SRMCEM

SALIENT FEATURES

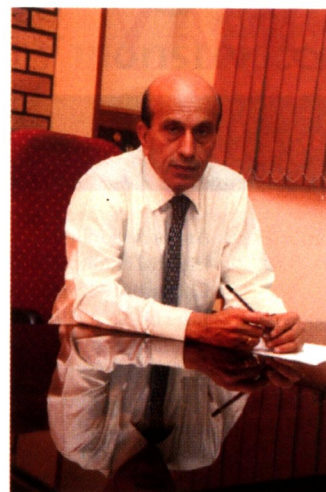

- Managed by two gold medallists from IIT Kanpur
- Accredited by NBA, AICTE
- ISO 9001-2000 certified
- Extra emphasis on sports and cultural activities

works in industry relevant manner to understand the expectations of the corporate world, and therefore, fine tunes its strategy and educational programs accordingly. The College management has appreciable links with the software giants in India and abroad.

In its 9 years of existence, the College has really become one of the most sought after destinations for those seeking education in engineering and management fields. In the last three years alone, many students of the College have secured merit positions. Two of its students have secured first and second ranks in the merit list for B.Tech First and Second year respectively, along with other merit positions in B.Tech and MCA final year in the U.P. Technical University exams.

A professional college can withstand the changing time only if it guarantees placement of its students. Because of academic excellence that the college has build up in the past, many companies line up to pick candidates, prior to their completing the course. "We are proud to say that the College has an efficient 100% placement record. Recently TCS recruited 56 out of 173 students, which is the highest percentage of placement among all the colleges of UP. The placement cell maintains close contacts with the leading industry names," says its Principal Prof AK Mehrotra. The companies of repute wherein the students of SRMCEM have been placed include Microsoft, TCS, IBM, Infosys, Wipro, Satyam, HCL, I-flex, L&T Infotech, Accenture, Birlasoft, JCB, Voltas, JP Cement, Tata Chemicals, Convergys, Igate, ICICI Prudential, HDFC Bank, Standard Chartered etc.

Such is the graph of popularity of the college that it is heading towards attaining the status of a Deemed University in the next 2 years. For this, a land of 200 acres has been acquired on Lucknow-Dewa road. The college is fully committed towards helping the budding professionals in realizing their full potential and in becoming the leaders of tomorrow in their chosen field.
