Man-Making & Nation Building

Students of Apeejay School of Management, Dwarka, New Delhi

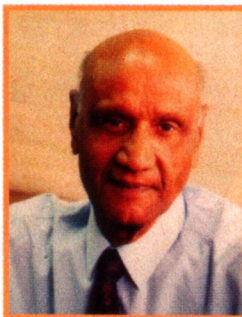

The Apeejay Education Society (AES), established in 1967, has built a rich heritage of over four decades in education with 12 schools and 11 institutions of higher learning across the nation. All the Apeejay institutions are guided by the vision of its Founder Dr. Styra Paul of commitment to quality education of global dimensions leading to man-making and nation building. The AES is a social commitment of the Apeejay Styra and Svrna Group, a highly diversified industrial conglomerate, and is known for its innovative approach to teaching, learning and research.

While the Apeejay schools are recognized as pioneers and trend-setters in quality education throughout the country, the **Apeejay Institutions of Higher Learning (AIHL)** too have carved a niche in their respective fields, together offering over 80 courses at the undergraduate and post-graduate levels in a plethora of domains. They have many distinctions to their credit; for example, the **Apeejay Institute of Mass Communication, Delhi (AIMC)** has been recommended by 'India Today' as one of the best media institutes in India offering courses in all major Mass Media disciplines. The institute has a high-end TV studio, Editing Units, News Teleprompter, industry-experienced faculty and is known for its strong industry ties.

The **Apeejay School of Management, Delhi**, is one of the premier management institutes of the country and has been running AICTE programmes for almost 15 years. It has been rated A+ in B-School rankings by Business India (2007) and conducts admissions to various courses based on the CAT score. The institute hosts numerous seminars, conferences, management development programmes with prominent speakers from industry and academia.

The **Apeejay Institute of Management, Jalandhar**, a pioneer in the field of Management & Computer Education, is the 1st management institute in the region to be accredited by NBA of AICTE, and the first to set up an Innovation Centre of the Confederation of Industry in India (CII) under the CII TDBT NET programme. Its Wi-Fi enabled campus is spread over 6.5 acres with modern hostels, computer labs and library facilities.

The **Apeejay Institute of Design, New Delhi**, offers courses in creative specializations such as fashion, textile, interiors, graphics, multimedia etc. to prepare students for a career in design, entrepreneurship and industry. With 31 fully equipped studios and a
