

Incubation Center: Ansal Institute's Incubation Center provides not only the physical infrastructure but also mentorship & guidance at every stage of infancy of a new venture taken up by young entrepreneurs with potential for excellence. This provides the best platform to induce & nurture entrepreneurial acumen in the students along with their studies. Cocubes, established by IITians is the first company that has been incubated recently and discussions are underway for another one.

International Exposure and Practical Experience: At Ansal Institute students are provided global opportunities to get invaluable international exposure to the best practices of the global corporate environment and learn more about the work culture overseas. The students get international

exposure by regular interaction with professors and students from overseas and by attending international conferences organized at the campus.

Impressive Track Record

Over 400 students from Ansal Institute have been accepted by ranking and reputed universities in the US, Australia & Canada in the last few years and are bringing laurels to the Institute. Most of these students have gone on scholarship/assistantship demonstrating the International recognition of Ansal Institute's high-quality education.

Students who make it to Ansal Institute carry the dreams & determination to emulate the feats of successful alumni of Ansal Institute like

- **Kumar Jeev** who went to Johns Hopkins
- **Daksh Varma** who went to University of Western Australia
- **Kunal Gogia** who works for KPMG
- **Himanshu** who is doing MS (CS) at Columbia
- **Manuj Yadav** who went to Australian National University
- **Ipshta Chakraborty** who went to Vanderbilt

- **Abhishek Agrawal** who went to Keck Graduate Institute
- **Sumeera Mangia** who works for Avidyne Corporations
- **Surbhi Kapoor** who won \$1000 prize & Internship at Nymex
- **Sudip Niyogi** who works for Motorola

and hundreds of others who have brought laurels to their families, their country and their alma mater by winning President's and Dean's honor awards for academic excellence.

Extraordinary Facilities

Ansal Institute's Wi-Fi campus provides state-of-the-art computer and other labs, modern networked library, fully equipped lecture theatres and classrooms, video conferencing facilities, round the clock high-speed internet through leased line, on-campus lockers, bookstore and other allied facilities for sports, transport facilities from major parts of Delhi, Gurgaon & Faridabad and international standard on-campus hostel separately for boys and girls for which Prof. T.J. Pedley, University of Cambridge, UK has the following to say, "a most impressive, very modern institute: the hostel accommodation is superior to that in most British universities."
