■ N.C. College of Engineering For Women

The college is situated near Israna town on Panipat -Rohtak Highway (NH-71A). The lush green outlets provide a pollution-free environment for higher education in the Campus. The Women Engineering College is established by NC –SD group of colleges at Panipat during 2008. The Organisation has strong base in Haryana with 9 colleges established during last ten years. It's a modular college with innovative approach

to induce moral values-mythological-psychological-ideological touch for value addition and updating of students in the competitive world. The campus is having well planned lawns and covered avenues. The spacious four storey, centrally air-conditioned building consists of well designed class/tutorial rooms, scientific and technical laboratories, workshops, engineering drawing hall, a modern library, computer labs, a communication lab and a music/gymnasium hall. There is a provision of audio visual system in all classrooms to facilitate the of e-education methodology for teaching. Smart classrooms are established for conducting tutorial classes in interactive mode. The second three storey building is having modern library, internet library, a conference hall with 600(+) seating capacity and Workshop. There is a separate provision for the girls hostel to accommodate around 100 students. The entire campus is equipped with Wi-Fi and 2mbps bandwidth internet facility for useful academic interactions. The faculty is provided accommodation in Faculty house located in the campus. The college has a state-of-art library with 1446 titles and 5250 volumes

in various areas of science and technology. It is supplemented by providing e-source library through Delnet where students can have an access to over one lakh books on technical subjects available online. IEEE journals are also subscribed in relevant subjects of studies for consultation by teachers and students. International and foreign journals besides a number of periodicals are available in the library.

■ H.R. Group of Institutions – Beholden

and moved by the philanthropic spirit of rendering ISO quality engineering, technical, pharmacy & management education, the Harish Chandra Ramkali Charitable Trust (ISO 9001:2000 Certified) felt the paramount need and urgency to establish first of all an engineering & technology institute named the H. R. Institute of Technology in 2005 on a lush green sprawling campus on a more than 16 acres of land on NH-58, Delhi- Meerut Road, Ghaziabad about 20 kms. away from ISBT, Anand Vihar, New Delhi. Subsequently, other sister institutions named the H. R. Institute of Pharmacy, the H. R. Institute of Hotel Management & the H. R. Institute of Professional Studies have been established duly approved by AICTE, Ministry of HRD, Govt. of India & affiliated to U.P. Technical University, Lucknow, except the last one. All these four sister institutions have earned for themselves a unique reputation of being well-known Educational Centres of Excellence in the entire NCR under a young, highly dynamic & gifted visionary Chairman, Er. Anil Agarwal, BE, MIE within a time span of less than 3 years. Academically, the Group has hitherto had many feathers of accolades in its cap. Alone during 2005-06, its HRIT rank was 26 in UPTU. All the Institutions of the Group are endowed with highly qualified, committed and gifted faculty. For enhancing a synthesis of intellect an emotion, the Group organises a number of curricular and co-curricular activities in the guise of Panache, Ambrosia and Nector every year and publishes HRGI Chronicle to record its annul academic, cultural, games and sports fests. The placement scenario of the MBA and B.Tech students has been very satisfactory. The employability prospects are almost 100 per cent and the employers include reputed MNCs and other well-entrenched organizations and corporate world. Every effort is made at the HRGI to groom and orient students to be great national asset by laying utmost emphasis on Personality Development and improvement of Communication Skills. It is anticipated that in the years to come, the H.R. Group of Institutions will be emulated by other engineering and management institutions in the country.

N.C. COLLEGE OF ENGINEERING FOR WOMEN

Approved by AICTE & Department of Technical Education, Haryana

COURSES OFFERED: (B.Tech)

CSE	90	IT	90
ECE	90	EEE	30

Chairman

Sh. Bhushan Gupta

Principal

Prof. (Dr.) I.K. Pandey
M.Tech, Ph.D (IIT Delhi)

An Institute for Professional Excellence

First College of Engineering for Women setup in State of Haryana

SALIENT FEATURES

- ◆ Senior Faculty from IITs, NITs, DRDO, CSIR, Universities and industries
- ◆ Planned interaction with industries and others institutes
- ◆ Well equipped laboratories using state-of-art facilities
- ◆ A Wi-Fi Campus with internet connectivity (24x7)
- ◆ Latest teaching & learning aids, e-source education methodology
- ◆ Provision of Laptops for all students.
- ◆ Interaction with visiting experts from various reputed organizations

FACILITIES

- Centrally Air-conditioned Buildings and well developed campus
- Well – Qualified faculty
- Library equipped with e-journals.
- Ultra modern laboratories with State-of-art facilities
- Latest computing facilities
- Medical facilities
- Hostel for girls
- 24 Hrs Power Backup & Transportation Facility
- Bank with ATM
- Playgrounds and Gymnasium
- Shopping Complex and Hygienic Canteen
