

You know it feels good to relax by your personal poolside.
Trust us, it feels even better when it's on the 45th floor.

Personal plunge pools with duplex penthouses from thirty eighth to forty fifth floor. That's Grande for you. As some of the world's top architectural firms come together to create India's most ambitious residential project, get ready for a life beyond anything you've ever imagined.

Spread over 347 acres of prime land in NOIDA • 8 iconic towers • Apartments with plunge pools • Diverse range of super-luxury apartments and penthouses • Integrated sports complex • Clubs and fitness centres • State-of-the-art security • 100 acres of landscaped greens • 12 landscaped gardens • Habitat center with art galleries, library, meeting facilities, restaurants, cultural and retail facilities • Modern educational and medical facilities • Designed by world's top architectural firms
