

What's better than a BSNL Landline? A prepaid BSNL Landline.

That's right. With BSNL's Fixed Line Prepaid (FLPP) Service you can make calls from a prepaid card over your BSNL postpaid landline connection. And the balance will be carried forward, if you recharge within the grace period. The FLPP card provides services like local calls, STD/ISD, IN services and On-Line balance enquiry. Recharge coupons are also available on-line and in various denominations, for your convenience. So what are you waiting for? Get the FLPP service, today.
