Public sector undertakings (PSUs) have been the lifeline of the Indian economy. At a time when "nation-building" was the need of the hour, PSUs laid the foundations of not just the country's industrial infrastructure but also its overall development. Over the past couple of decades, when the country has been seeking to rev up its economic growth, PSUs are once again in the focus. In this Special Issue, we profile the leading PSUs from different sectors, examine what they have been doing to achieve sustained growth and the challenges they face.

Includes: The Crown Jewels * The Privatized PSUs * The Top Public Sector Banks * PSU Townships * PSUs as Employers
