Sadness, compassion and sympathy...

Imagine being left with neither home nor your life's savings! Scary, isn't it? Many have suffered this anguishing, hard reality. It is all about buying a property with clear documents and titles in place so that you don't land into legal hassles of any kind in future.

The call of courage, confidence and pride...

Ever since the Government of India permitted cent per cent FDI in the construction sector, the realty sector has been witnessing a phenomenal growth.

Rage, anger and annoyance...

The establishment of Special Economic Zones in metropolitans has invited enough trouble in the form of mass agitations, time and again. However, SEZs have a brighter side that yet remains unrevealed.
