

With **Intelligent Molecules** that

seek, bond and protect your car.

OEM 171

Castrol Magnatec now comes formulated with Intelligent Molecules. These polarized molecules seek parts of the engine under stress, bond to those parts and create a protective coating. So the engine will continue to blissfully perform in peak condition.

To locate your neighbourhood Castrol Magnatec store call: 1-800-22-2100 or 022 - 6698 4144.
