NARESH GOYAL

59, INDUSTRIALIST (22)

MAKING WAVES

BECAUSE Jet continues to be the biggest private airline, with 370 flights everyday to 59 destinations. Because he continues to play a pivotal role in the nation's civil aviation policy. Because he has tripped the clearance for new players to fly abroad. Because he has successfully fought and won the war to fly to the US, a long-held ambition. Because he has survived the merger with Sahara. Because he retains the ability to encash political chips when needed.

LOOKING FORWARD TO: Flying to Shanghai.

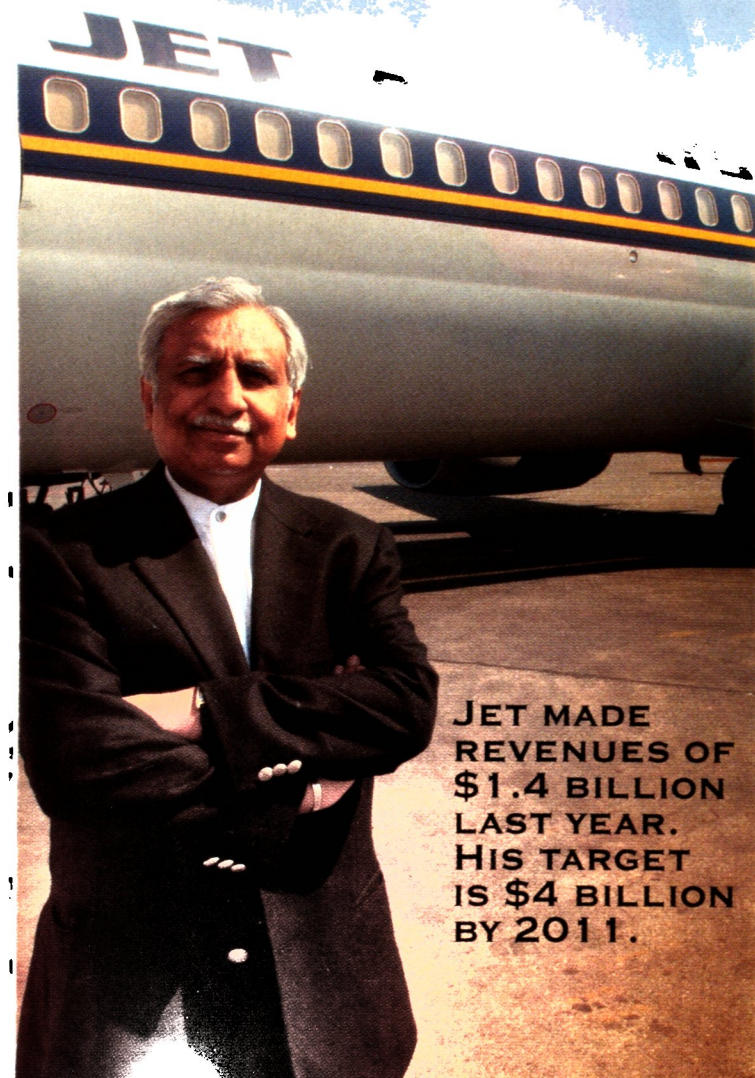

WILL NOT ADMIT: That Kingfisher Airlines is luring away the crème clientele.

LITTLE KNOWN FACT: Started the air-

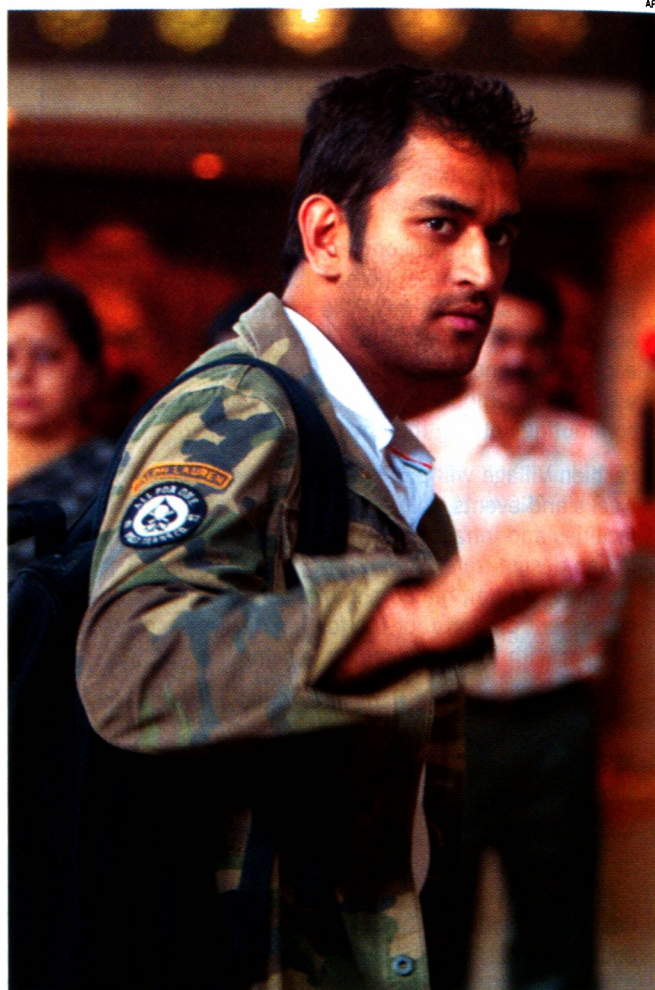

lines from two rooms at Mumbai's Leela.

OFTEN KNOWN TO: Travel economy when business class is full.

YES IT'S TRUE: He can neither drive a car nor swim.

JET MADE REVENUES OF \$1.4 BILLION LAST YEAR. HIS TARGET IS \$4 BILLION BY 2011.

M.S. DHONI
26, CRICKETER (NEW)

CAPTAIN WOW

BECAUSE he is the man who broke through the million-dollar barrier at the Indian Premier League auction, becoming India's most-wanted player for T20 cricket. Because he has taken to the captaincy of the limited overs team like he were to the manor born, combining assurance, instinct and officer-material arrogance. Because he is the man for whom Indians now switch on their TV sets. Because he stands for all that is good about younger, less orthodox, more aspirational, and less deferential India. Because, along with being a very marketable brand, M.S. Dhoni is a cricketer who has made his own destiny.

DIET SECRET: Butter chicken, naan and chocolate milkshake.

PET PROJECT: Drugging opposition

bowlers so that they can bowl really loose to him, or so he jokes.

VACATION SPOT: Switzerland, but hasn't been there yet.
