

PROMOTIONS

AOC plans a stronger foothold in channel market for 2008. Focussing on the same, the brand is positioning itself strongly in the 'Life style Segment'. 2007 saw AOC mark a prominent share in the channel market and the brand's presence was clearly visible in the market.

Investing in the channel market, AOC has opened its first exclusive showroom in the IT Hub of the country - Bangalore - The AOC Galleria which hosts an array of State of the art AOC LCD & CRT displays. The show window hosts all the running and forthcoming AOC models, and boasts of the widest range in computer monitors.

Moolchand

In continuation to our efforts in providing affordable healthcare to our customers, we take pride in introducing Head Spiral CT Scan at just Rs. 999/-. This revolutionary concept in diagnostics is part of the Moolchand Seva program, an initiative of the Moolchand Trust.

This facility is available for all outpatients who register themselves at Moolchand Imaging Centre between 2-4 pm from Monday to Saturday. Spiral Head CT Scan can be availed at just Rs. 999/- followed by comparable discounts on other CT's with contrast charges extra. Some restrictions apply.

ISSICON 2008

The Spinal Cord Society & Indian Spinal Injuries Centre organized an International Spine & Spinal Injuries Conference in the capital (ISSICON - 2008). The theme of the conference was "Recent Advances in spine care". The various aspects related to spinal injuries, role of stem cells in management of spinal cord injuries, pre hospital management of trauma patients, advances in rehabilitation management of spinal injuries, advances in back pain etc were covered. One of the main highlights was a session - Prevention of Spinal Cord Injuries for developing countries of Asia was attended by several doctors.

Magic of Neoveda on Holi

Spring is in the air and Holi is around the corner. Playing with colours on this festival is fun but the consequence is not just spoilt clothes and floors, but the skin and hair too are traumatized. This is due to the presence of chemicals in the colours and can turn out to be harmful if good care is not taken.

To keep your skin looking young and glowing on the festive occasion of Holi, use Ayurveda products made of pure essential oils, says **Monisha Gupta** of

Craft House that also retails Neoveda products.

Pamper your skin with Sandalwood & Saffron cream, before and after Holi, to keep your skin feeling baby-like smooth.

Feed your smooth skin with Shea Butter Moisturizing Cream, before and after Holi, to get the incredible result on the special occasion of Holi.

All Neoveda products are available at Craft House, The Metropolitan Hotel. For further information, please call @ 42500200.
