

Pioneers with the determination to lead.

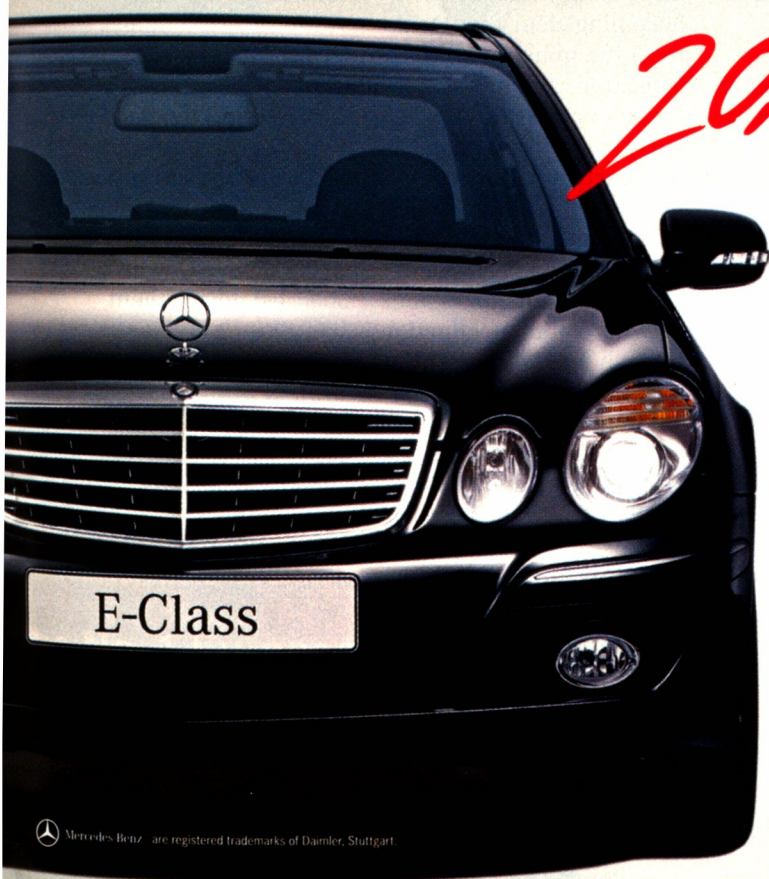

Being a pioneer is not for the weak spirited. It requires the kind of conviction and emphasis on achieving excellence that bespeaks character. At Mercedes-Benz, we wouldn't have it any other way. Mercedes-Benz rolls out its 20,000th car from the Indian plant and delivers its 10,000th E-Class on Indian roads. This milestone is

yet another testament to our determination to maintain leadership. And proof that when it comes to performance, luxury, safety and technology, Mercedes-Benz is the chosen way to travel. We're celebrating this fact and the journey that has brought us this far, with an exciting offer for you, our

discerning customer. May we therefore, persuade you to know more about the commemorative offer? We promise you, it will be a truly unforgettable drive.
