

***NEW Goodyear Assurance with
ArmorGrip Technology™.***
Superior grip to overcome the wettest roads.

- Unique Waffle Blades give superior grip.
- Stiffer shoulder areas provide better cornering grip and braking power.
- Reinforced with a layer of Dupont™ KEVLAR® that's 5 times stronger than steel for added protection.
- Durawall material in the sidewall enhances resistance to common cuts and tears.

Dupont™ and KEVLAR® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company
Drive with Assurance.

"Available in 14" & 15" sizes for cars ranging from premium hatchbacks to luxury sedans"
