There's intense competition among India's top B-schools to stretch their brand equity further. According to the sixth **Business Today**-Nielsen survey of India's Best B-schools, the gap between IIM-A, the leader of the pack, and the next best—among them IIM-B, IIM-C, Symbiosis, IIM-L and XLRI—is closing fast and it is mainly awareness and consideration that separates the best from the rest. Then, there's no slowdown in demand for freshly-minted MBAs from India's top B-schools, economic slowdown, high inflation and global recession be damned. Read about this and a lot more in the cover package on India's Best B-schools.
