

I can't speak.
But my voice
resonates in every sip.

Hi, I'm Suresh Verma. I can't hear or talk. But 80 of us from the Benares Deaf and Dumb School Association are working as bottle inspectors at Coca-Cola's bottling plant at Varanasi. Together we make sure that every Coca-Cola product that goes by us, delivers on quality. Hour after hour, day after day. This is my drop of joy.

Coca-Cola India
little drops of joy
