

The masterpiece in comfort is finally here.

Latex Plus Mattress™

The masterpiece in comfort

Designed for the select few, Sleepwell® Latex Plus Mattress is an amazing combination of luxury, comfort and hygiene.

- Rich and elegant quilting imparts a singular sense of luxury, with a look that truly defines class
- Scientific design enables the mattress to dynamically adjust to body contours, ensuring complete comfort and support

Unique *Ultra-Fresh*® treatment builds in anti-microbial properties that prevent formation of bacteria, fungi and dust mites

- Sleepwell® Latex Plus has all the advantages of Latex while doing away with some of its limitations such as bad odour and crumbling of the core. Even after years of use, it doesn't develop any sagging or lumping.

Sleepwell®
for years

*Ultra-Fresh is a trademark of Thomson Research Associates Inc., Toronto, Canada
