

RELAX...

BEL helps in smooth
take-off and landing.

Air Traffic Control

The next time you fly, just sit back and relax. Bharat Electronics Limited (BEL), India's foremost defence electronics company, offers high-tech air surveillance technology for airports across the country to ensure smooth take-off and landing of aircraft.

BEL designs and manufactures a wide range of products in the fields of Radars, Defence Communication, Naval Systems, Electronic Warfare, Electro Optics, Tank Electronics, Telecom and Broadcasting, Solar Photo Voltaics and Professional Electronic Components. BEL also offers Turnkey System Solutions for defence and civilian applications.
