

India Inc's Heavy Lifters

The BT 500, an annual ranking of the most valuable companies in the country, is out on the stands. Which are India's most valuable companies, who's gaining and who's losing, and what do the numbers tell you about the underlying trends? Business Today, India's No. 1 business magazine, tells you all this and more.

Plus: Can Reliance Communications overtake Bharti Airtel? • Do IT stocks still make good investment? • An exclusive interview with Fidelity International's Barry Bateman.
