

For us borders and languages are no barriers.
Our flagship Hindi daily Dainik Bhaskar has crossed
borders from Madhya Pradesh to Rajasthan and Greater Punjab.
We've also successfully launched Divya Bhaskar (Gujarati)
in Gujarat and DNA (English) in Mumbai.
We've time and again proved that
there's no limit to what we can achieve.
In other words, *impossible is our challenge.*

Can. There's no
cannot
