

Enjoy your holidays anywhere, anytime...!

...after securing your home with
GODREJ ULTRA LOCKS.

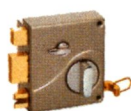

Thanks to Godrej Ultra Locking System - **India's 1st UNPICKABLE LOCKING SYSTEM**, the lingering worries of your home being vulnerable while you are on vacation, are no more.

Godrej Ultra Locking System is unpickable i.e. no object other than its own key can open the lock. **Godrej Ultra** Technology enables **crores** of unique, non-

similar keys to be generated. This gives the assurance that no other key produced is identical to your original key, hence there is virtually no chance that any other key will be able to open the lock.

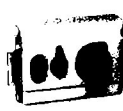

Now all you have to do is to pack your bags & head for an enjoyable vacation & **leave the rest to Godrej Ultra Locks!**

Ultra Tribolt

Ultra Twinbolt

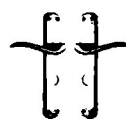

Ultra Latchbolt
