

The Residential Schools

The 21st Century Gurukuls of India

Education, away from home, has been a tradition in Indian society. We have a rich history of prominent educational institutions imparting value based education. India is reviving to emerge as a pivotal destination for residential schools, both nationally and internationally offering a rich mix of cultural diversity, quality education clubbed with all round development. These schools are being increasingly sought by both parents and students for achieving educational excellence for a successful future.

In the next few pages we are highlighting the key features and factors that make some of India's most sought after boarding schools.

■ G D Goenka World School, Sohna

Creating global Citizens

Set in 60 acres of billiard-table green lawns and playing fields, against the backdrop of the wooded Aravali Hills and an hour's drive from Delhi's International

Airport; GD Goenka World School (GDGWS) looks very much like the campus of a traditional and well-heeled American university. GDGWS is a unique harmony of contrasts: ancient and modern, Indian and International, traditional and innovative. Students from several Indian cities and from as many as 29 nationalities of the world find comfort in this environment; which is truly a celebration of international and Indian culture and traditions. The curriculum that the School offers, the approach to learning, new teaching methodologies, a highly qualified faculty, emphasis on overall development and the world class infrastructure offered by the School defines the planning and vision of the world school, that Mr A K Goenka, Chairman, G D Goenka Schools set out to provide optimum conditions for world class learning. The school provides an environment that is conducive to create intelligent and confident citizens of tomorrow. GDGWS offers admissions from Nursery to Grade 12th, and offers the choice of residential and day-boarding to its students.

GDGWS offers the Primary Years Programme (PYP) from Nursery to Grade 5. Grades 6-8 does the GDGWS Middle School Programme. With an authorized Cambridge International Examinations Centre the school offers IGCSE in Grade 9 & 10. Being an International Baccalaureate authorized school, it offers the IB Diploma in Grade 11 & 12. The 1st batch of Goenkans secured 100% acceptance in the topmost universities of the world. The students applied to a wide range of courses thanks to the broad based IB curriculum they studied. Many of them got scholarships in prestigious universities across the globe and others are pursuing the career of their choice.

The GD World School owes its existence to Anjani Kumar Goenka, who in 1994 founded the G. D. Goenka Public School in Vasant Kunj, New Delhi, which is just over a decade old and has been the pioneer in introducing Airconditioned classrooms, mineral water for students, airconditioned buses with communication facilities and providing quality education.

The school provides unique international features such as flexibility in curriculums; A fine focus on learning to think for yourself; unparalleled sports and recreational facilities with a 17 acre golf course and half Olympic size swimming pool for seniors and a separate one for juniors and above all, the students enjoy a 12:1 student teacher ratio. Carefully selected House Parents and a professional Counsellor provide academic and social support. Health is monitored by a full-time doctor and resident nurse. Meals are carefully planned by expert dieticians and only premium quality mineral water is served. The campus has light and temperature control, videoconferencing, wi-fi network, campus-wide broadband connectivity for anywhere-anytime laptop learning. The single minded devotion of the management is towards creating an atmosphere where students learn to be the best at everything they do. The philosophy, a culture of care, the environment and the facilities offered ensure that when the time comes for a child to leave the safe environs of the school, he is fully equipped to take on the challenges that lie ahead of him.

Answering on what is it that makes GD Goenka World School truly world class, Mr A. K. Goenka summarizes, it is not only the curriculum, the highly talented faculty, the extra curricular activities offered or the world class infrastructure that makes it best rather everything of it at 100% is what makes our school truly world class.
