THE MISSION OF THE ARYAN SCHOOL

Enable young men and women to become physically fit, mentally alert, intellectually sound and emotionally balanced. Ready with the skills they will need to surmount the challenges they will face in the world outside.

Mould and groom young people into confident and motivated persons who can stand their own amongst others from the best schools across the world. Create a generation of Indians aware and proud of their rich culture and ready to bear the torch of their spiritual heritage, empowered with the virtues of righteousness, tolerance and fellow feeling.

Evoke and instill the values of self-respect, self confidence, high moral character and a sense of national pride.

For Prospectus with Registration form remit a demand draft for Rs. 500/- in favour of THE ARYAN SCHOOL-DEHRADUN.
