

A LOT GOES INTO MAKING THE WORLD'S BEST BUSINESS HOTEL.

The Leela Palace Kempinski, Bangalore was awarded the Best Business Hotel of the Year by the Conde Nast Traveller survey, 2007. There's a lot that has contributed to this recognition. The sheer brilliance of the hotel's design being one of them. Its ornate arches, columns, the intricate lattice work, all created using Birla White Glass Reinforced Fibre Concrete (GRC). Probably, the most versatile design tool available

today. Birla White congratulates The Leela Palace Kempinski, Bangalore on its outstanding achievement.
