

Walking in the steps of The Mahatma.

THE JOURNEY SO FAR.

An endowment of four million rupees, a colossal sum in 1928, no small amount even now, laid the foundation of the Moolchand Trust. Foundation because it was not money but a belief that the Trust was built on. A belief that the world can be a better place. A belief that found expression in The Mahatma's words, "be the change you wish to see". An expression that found purpose in our 'Seva' Initiative.

Seva Charitable Clinics

Our charitable clinics at our Medcity campus and in the National Capital Region help us serve 60,000 lives every year. As part of our community service initiative our General OPD offers free consultations with leading doctors across 40+ specialties from Monday through Saturday.

Seva Soup Kitchen

Through our Soup Kitchen we provide free meals to the needy once a week and touch 10,000 lives a year.

Other Seva Initiatives

Moolchand has partnered with a number of NGOs. Prayas and Blind Relief Association are few of many.
