## Business School - Revolutionizing Management Education

"In today's world of globalization the companies are looking forward for candidates with diverse skills. Each company has different parameters & priorities while selecting management graduates. To meet the requirements of corporate world Galgotias Business School (GBS) has made the professional course more stimulating than academic courses at any level."

When an institution with over half a century of expertise in the field of education ventures out with a world-class business school, you know it has to be one of the best. The Galgotias Group is synonymous with imparting quality education and nurturing the aspirations of the youth. The Galgotias Educational Institutions (GEI) also includes Galgotias College of Engineering & Technology and Galgotias Institute of Management & Technology apart from Galgotias Business School founded by the Smt. Shakuntla Educational & Welfare Society in 1999.

Galgotias Business School has come up at the state-of-the-art campus located on the eight-lane expressway connecting Greater Noida with Noida and Delhi. The school is surrounded by a green landscape. A sprawling, self-sufficient campus with spacious and beautifully designed academic buildings, separate fully secure and comfortable hostels for boys and girls, seminar and conference halls as well as indoor and outdoor games facilities and multi-cuisine cafeteria managed by professional caterers are the highlights of the GBS campus life with serene academic ambience.

Galgotias Business School has been synonymous with technological innovation and a striking testament to its commitment is the implementation of **Online Training and Teaching Platform**. The institution's continuous endeavor is to synergize theoretical knowledge and practical skills to promote all-round professional competence. Behind this mission of "promising to provide the best" to students is Suneel Galgotia, the chairman of the Galgotias Educational Institutions (GEI).

Placement records at all Galgotias institutions speak volume of the Group's quality and achievement. The placement cell of GBS remains in touch with the corporate world for best training facilities. "Industry interface in a B-school is important," stresses Suneel Galgotia. Tie-ups with the corporate world give the institution the opportunity to organize regular visits to business houses and companies so that the students not only gain practical experience of what they have learnt in the classrooms but also acquaint themselves with the functional and environmental culture of different organizations.
