

Call Filter. Block unwanted callers.

Do you often see yourself taking calls, you don't quite want to? Well, you can now have control over your incoming calls with Vodafone Call Filter. To block the last incoming call number just dial *514#, press the call button and follow the instructions on your phone screen. Alternatively you can also call 55144 on your Vodafone mobile phone. You can then bar more numbers and create a 'Blacklist'. So go right ahead. Keep away from all the annoying unwanted calls and enjoy uninterrupted moments. You can block unlimited callers, for just Rs 99/month. Now, that's a small price to pay for your peace of mind.
