

■ **SAROJ HOSPITAL** — Saroj Hospital and Heart Institute, Rohini added yet another feather in its cap when the world renowned Cardiac Surgeon Dr. Naresh Trehan, join its Cardiac Center. Dr. Naresh Trehan has assured that all Cardiac surgeries performed at Saroj Hospital will be supervised personally by him and will be performed by his team of surgeons.

This step shall ensure doorstep treatment for heart patients of northwest Delhi and all adjoining areas by the world famous doctors. By reaching this mile stone Saroj Hospital and Heart Institute has brought together the expertise, experience and technology required to deliver high level of Cardiac care to this part of Delhi. It would be pertinent to mention that Saroj Hospital and Heart Institute was the first to bring Cardiac Surgery and facilities for Angiography and Angioplasty outside the confines of South Delhi in private healthcare sector. During his visit to the hospital, he appreciated the standards achieved by the hospital in the field of Cardiac Care and was fully satisfied with the equipment, OT and other facilities of the hospital and rated the facilities at par with the best available in the country Dr. Trehan observed that Saroj Hospital has the potential to become center of excellence for heart surgeries in the days to come. Trustees of the hospital have always upheld their commitment to serve the society at affordable rates without compromising with the standards of the medical care. The hospital continues to adhere, to its core philosophy of valuing human life above all and shall continuously to provide "Medical Excellence with Human Touch" Saroj Hospital and Heart Institute is celebrating its 2nd year of its existence. Saroj Hospital is an ISO 9001-2000, 14001-2004 certified hospitals. it has the distinction of performing maximum number of Cardiac interventional procedures in north-west Delhi. The team headed by Dr. Terhan shall be regularly available in the hospital. The video conferencing arrangement with Dr. Terhan is also being contemplated. Overall- a dream come true for all heart patients of north-west Delhi and adjoining areas and a reason to live healthy life with a healthy heart.
