## THE ROMAN COLOSSEUM

The design concept of this great amphitheater in the centre of Rome stands to this day. Virtually, every modern sports stadium today bears the irresistible imprint of the Colosseum's original design.

On their course to becoming world cities, our metros are all for high-octane fun and frolic. With giant amusement parks springing up in every metropolis, India is well on course to becoming the world's fantasy nation.

With amusement parks darting with elastic force in every metropolis, India is undoubtedly going to be the world's next fantasy wonder. People now no longer wish for a trip to Disneyland to experience the excitement. Speaking about the prospects of this booming industry, Rajen Shah, President of the Indian Association of Amusement Parks and Industries (IAAPI) asserts that there would soon come a time when every district in the country would have an amusement park of its own. We have little reasons to doubt his statement.

The wonder has already started gripping the major cities. The amusement parks in Kolkata have definitely added more colours to the canvas of the city. There is a series of amusement parks in Kolkata named – Aquatica, Nicco Park, Swabhumi, Science City, Millennium Park, Nalban Boating Complex and Clown Town – to thrill your adventurous self. One has to simply plunge into the thrill and vibration of adventure activities, joy rides, enthralling water rides and many more in these amusement parks. Though these parks are situated in the suburbs, they are brilliantly connected with the city with some of the best communication facilities.

Mumbai is also not behind by any chance with excellent amusement parks like Essel World, Water Kingdom, Tikujiniwadi, Fantasy Land, etc to boast about. A Bollywood theme park is being built in Mumbai along the lines of Hollywood studio parks, allowing fans to go behind the scenes of the world's biggest cinema industry in terms of viewers. Delhi can never be out of competition. The famous adventure hubs in Delhi-NCR include – Adventure Island, Noida E-city, Oysters, Future Bowl, Fun & Food Village, and 32nd Milestone. Promoted by HML Leisures, Amoeba in Gurgaon's Metropolitan Mall is the last word in digital gaming.

Apart from the amusement parks and digital gaming studios, Bangalore can boast of having India's largest Indoor Musical Fountain and Laser Show named – Wonder La. It is the only amusement park with warm water springs during winters. The other attractions are – The Virtual Reality Theatre that offers a complete multi-sensorial movie experience, Neeladri Amusement Park, Crazy Waters, Aquarium and a number of water-based amusement parks including two wave pools, two play pools, Lazy River and a variety of water slides.

With such colossal amusement parks coming up in every metropolis, India is well on track to become the world's fantasy nation.

## TAJ MAHAL

Built out of white marble and standing in formally laid-out walled gardens, the Taj Mahal is regarded as the most perfect epitome of beauty and grandeur. From stylish modern living room, to modish kids' rooms to voguish kitchens... we guide you how to transform your house into a gracious retreat that celebrates love, passion and harmony.

When was the last time you admired a friend's home and wished you had as enchanting and appealing an ambience at your abode as this? Decorating your home is a great way to express individual style and preference, and with a little ingenuity and creativity, the interior of your dwelling can look like a model home featured in a home décor magazine.

This time, we have made sure that decorating your home is very simple and easy on the pocket, yet a pleasing and gratifying experience. Just follow these rules to make your house look breathtakingly beautiful.

1. Go for a theme décor: Before you could start decorating your space, it is very important to exercise imagination and zero in on an idea that best describes you. Your age, family background, personal interests, hobbies, holiday destinations visited and any other factor which describes the real you should be manifested through your decor.
2. You are your space: If you imagine yourself to be the space you want to furnish, your favourite clothing would be the decor. Be smart, ignite your imagination and create something beautiful out what reveal the best out of you.
3. En-lighten your room's spirits: Natural sunlight is the best source of light which gives a lot of space to your room. Keep your windows open to let in fresh air and adequate sunlight.
4. Paint ecstasy all over: White can be the best colour that can make the room bright and beautiful. Any colour furnishings would look great with white. However, if your favourite colour is red or orange, it's best to paint the most prominent wall with your favourite shade and keeping the curtains the same hue.
5. Don't overstuff your space: Keep your furniture as minimal as possible to facilitate movement and space.
6. Accessorise with elegance: Freak out on exotic artifacts and handicrafts that bring out your best interests and wild passion for paintings. Experiment and go in for something unique and captivating.
7. Go green: Palm plants, bamboos and flower pots can work beautiful to create a sense of revival and rejuvenation. Plants placed at the corners of the area fitted in beautiful pots can create magic.
8. Drape it right: Purchase your curtains which go exactly with the sofas. Any mismatch can look ghastly and ruin the look of your space.

A home makeover adds freshness and provides beauty to your home spaces. Go home and create some magic.
