

RAFFLES INTERNATIONAL SCHOOL

Creating new horizons in education

Raffles International School (RIS) is situated 110 Kms from Indira Gandhi International Airport, New Delhi, on National Highway number 8, midway between Delhi and Jaipur. It has been established by Gomber Education Foundation which is a charitable trust registered under Indian Trust Act 1882. The school is situated on a sprawling, beautifully landscaped 25 acre campus, with infrastructure and support for a creative and holistic education. RIS has opened gateways of excellence in education from academic session 2008-09.

It is a co-educational, senior secondary, day cum residential school at Behror, Rajasthan. The school offers multiple choices of Day, weekly or full term boarding.

The VISION of the school is to be a premier provider of high quality education and care to students. Seeks to pursue this commitment by providing an environment of diversity of cultures and nationalities, both among its staff and students.

With a diversified and dynamic curriculum that merges technology with education through e-learning, virtual class rooms, on – line resources and more, the school enables its students to keep pace with the fast changing world characterized by innovations and technology, and knowledge explosion. A techno savvy faculty as mentors, who desire to make a difference in the life of students by carving them into successful individuals capable of making a difference to the environment and the group they associate with, is a major strength of RIS.

RIS offers opportunities of exchange programs with Raffles campuses in Singapore and Dubai, both for staff and students. Celebrations of national and international festivals, special assemblies on all important days, inter-school competitions at national and international levels and a healthy mingle of values and cultures of different religion and nationalities will shape its students into true "global citizens".

The infrastructure and facilities of the school are of world-class standards.

The Oberoi International School

The Oberoi International School, established under the aegis of Oberoi Foundation, has announced the commencement of its first academic year from August 2008. Oberoi Foundation has been established by the promoters of Oberoi Constructions to spearhead various social initiatives in the education and the health sector.

The school is housed in a multi-storey, centrally air-conditioned campus located in the 80-acre Oberoi Garden City at Goregaon East, Mumbai.

The school will offer the International Baccalaureate Primary Years Programme (PYP) for Pre-KG to Grade 5, CLSP (Cambridge Lower Secondary Programme) and the IGCSE (International General Certificate of Secondary Education) curriculum for Grades 6 to 10 whereas the Grades 11 and 12 will follow the IB Diploma Programme.

With an area of approx 4 lakh square feet and comprising scientifically designed classrooms; the school is equipped with 3 well stocked libraries, 8 integrated state-of-the art science laboratories and innovative science gardens.

The sports facilities comprise a multi purpose hall, 4 modern glass-backed squash courts, a 6 lane swimming pool, a modern athletic track and a huge 3 acre playground (with a professional level cricket pitch).

The world class infrastructure and the expertise of the talented teachers will aid the process of adopting a holistic approach to nurture knowledge and creativity in the students.
