

KIIT SCHOOL OF MANAGEMENT

Inspiring Excellence, Building Confidence

The Inspiring Present

KIIT University, reckoned as one of the highest seats of learning in India, has become a sought after destination for professional education among students from around the globe. Within a short span of time KIIT has emerged as a diversified educational conglomerate with 11 sprawling campuses offering world class academic programmes from Kindergarten to Postdoctoral level under one umbrella. KIIT University has helped many to realize their dreams and continues to inspire many others to dream big.

Innovative Curriculum

The curriculum followed in this School is designed with an objective to educate the future business leaders and academicians so that the students develop a deeper insight for the business and social community. Besides, a two-year fulltime residential MBA programme, full-time and part time Doctoral Programme, Certificate Programme in General Management, Management Development Programme and various in-company programmes are the other courses offered.

COURSES OFFERED

2- Years Residential MBA (full time)

Doctoral programme in Management (full time or part time)

The Industrious Offspring

KIIT School of Management (formerly known as IBAT School of Management) is one of the earliest constituents of KIIT University. Empowered by the vision of the noted educational and social entrepreneur and Founder of KIIT Group of Institutions, **Dr. A. Samanta**, the School has become a centre of excellence in the field of management education.

An Enabling Environment

The School of Management campus houses a **world-class infrastructure** perched in a lush-green eco-friendly surrounding, ideal for intellectual pursuit. The campus is designed with the finest aesthetics which any B-School could boast of. Air-conditioned multi-media classrooms, syndicate rooms, 24 x 7 high speed internet access, a well-stocked library with thousands of volumes of printed resources relevant to management and allied subjects, separate and well-furnished hostels for boys and girls and all kinds of public utilities within the wireless campus are only some of the facilities a student of the KIIT School of Management enjoys.

The Perfect Mentors

The students of KIIT School of Management are trained by highly experienced faculty drawn from reputed academic institutions of India and abroad as well as from the corporate world. Guided by such experts, the students grow into disciplined, competitive and industry ready professionals, with a perfect sense of social responsibility. KIIT University is proud to have **Dr. Hari Gautam**, former Chairman, UGC, as its Chancellor, **Prof. S.K.Dube**, former Director, IIT Kharagpur, as its Pro Chancellor and **Prof. S. C. De Sarkar**, former Deputy Director, IIT Kharagpur as Vice Chancellor.

The Creative Platform

KIIT School of Management has well integrated students' forum that encourages the students to pursue their creative passions. Besides it also helps in grooming the overall personality of the students and boosting their confidence level.

The Secure Future

KIIT School of Management provides efficient training and counseling to all its students to groom them into industry-ready professionals. The well-networked Central Placement Cell facilitates the students' entry into the renowned companies of the corporate world. The School has been achieving cent percent placement for the last few years. According to a prestigious all India survey, KIIT ranks 6th in placement performance. Corporate visitors for campus placement include Microsoft, Wipro, Infosys, TCS, Redington, HCL Technologies as well as many others.
