

42% NON-WORKING WOMEN SAY THEY HAVE SEX TO PLEASE THEIR SPOUSE

Do you think it's your right to have sex with your wife?

Age	Yes	No
21-30	74	21
31-40	76	20
41-50	78	18

All figures in per cent. Male respondents only. Rest: Don't know/Won't say.

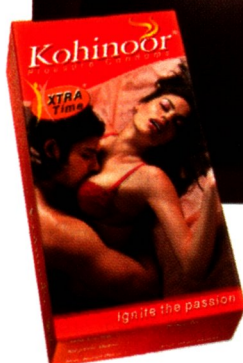

ORG-MARG survey suggests that such a hope may not be misplaced. Many of the responses indicate how women have become more assertive on matters relating to their body, their pleasure and their sexuality. But the result of one of the queries made me pause. The question was, "Has your spouse ever forced you to have sex?" Significantly, 45 per cent admitted to being forced to have sex very often with their spouse.

What name do we give to such forcible sexual intercourse? More important, how do we explain the reasons that impelled so many female respondents, scattered across the country, to break their silence on a subject that has for long been shrouded in deafening silence? Let me offer my speculation on what has
