Pradeep Agarwal

■ **Kamdhenu Industries Limited** - The company having already made a foray into Cement, SS Water Pipes, Fitting and POP. Kamdhenu has embarked into booming realty sector, with the launch of Kamdhanu Homz. Kamdhanu Group- The largest TMT bar manufacturing group in India came into existence in year 1996, and did the extensive research on different types of material and found the strength and hygienic nature of stainless steel was the need of the time. The company invited and launched stainless steel pipes and fitting made of high quality utensil grade with a slogan "Kamdhenu ka vada shudh pani jeevan jyade..." to overcome common problems of leakage, seepage and scaling (deposit of fungus and calcium) This product is developed using latest and best available technology to maintain high quality product and uniformity. Pipes and fittings are available in all size from 1/2" to 3" N.B. Along with stainless steel fittings like tee, Socket, Union, Elbow, Reducers and Nipples. The product is design in such a way that it can be fitted very easily so that no inconvenience is caused due to unskilled labour. Mr. Pradeep Aggarwal, C.M.D. Kamdhenu Industries Ltd. has been one of the major pillars of the company. He has been the dynamic force behind the company's extended and well-oiled marketing network "Seepage free homes, pure drinking water, no longer a dream in India, now" says.
