

YOUR FAVOURITE SUV JUST GOT BETTER.

THE NEW SAFARI DICOR 2.2 VTT.

The Safari now comes with the new DICOR 2.2 VTT diesel engine. Equipped with the advanced Variable Turbine Technology (VTT) for optimum torque and maximum fuel efficiency. This 320 Nm torque-laden engine doesn't just make sure you're the first off the block. With 140 PS of power at your disposal, it ensures the others won't even come close. Couple this with a new look and two tone beige interiors, and you have one powerful, good looking beast. Test drive one today.

THE NEW
