Anti-theft Mobile Tracker

Step 1

1. Go to 'Tools' & Choose Mobile Tracker option
2. Enter default password '0000' and press ok
3. Go to option 1 and select 'on'
4. Change your password immediately
5. Go to option 3 & press New
6. Enter your name & two alternate mobile numbers.

Step 2

In case your handset is stolen, and your SIM is removed & new SIM activated, two numbers registered in Step 1 receive the SMS informing about the SIM number & the location of the thief

Step 3

Forward the SIM number & location to the police to track the thief
