

How do you like your spa treatment?

*With the ocean surf? A sunset on the backwaters?
Palace musicians?*

Surrender to the healing powers of a 1000 year old tradition, recreated for you at our stylish spas. In a private outdoor pavilion by the ocean. By the mystic backwaters of Kerala. Or in the regal splendour of a maharaja's palace - where musicians serenade you while nimble fingers soothe your senses. Choose a Taj Holiday.
