

Monisha Jaising Mini

SMALL WONDER

Just as a sari will never go out of fashion, a Monisha Jaising kurti or dress will always remain trendy. But when it comes to spring's statement of showing more leg, we vouch for Jaising's teensy weensy sequined rosette wonder, teaming dull copper sequins with romantic roses. **PRICE: On request**

Tarun Tahiliani Sari

WEDDING BLISS

The trousseau trend-mill is spinning a vintage yarn—cleaner silhouettes and subdued bling for bridal blush. Tahiliani recreates vintage charm with an ivory chikankari sari teamed with a bejewelled Swarovski belt worn over a pave diamond setting bustier. **PRICE: On request**
