

Formia Lights

BURNING BRIGHT

Formia breathes style through its products with sheer innovation. A Murano glass object witnesses the passion for glass crafting handed down from over 20 generations. This chandelier is designed in a classic Murano style in rose glass. A work that involves a bit of skill, much work and a good amount of pride.

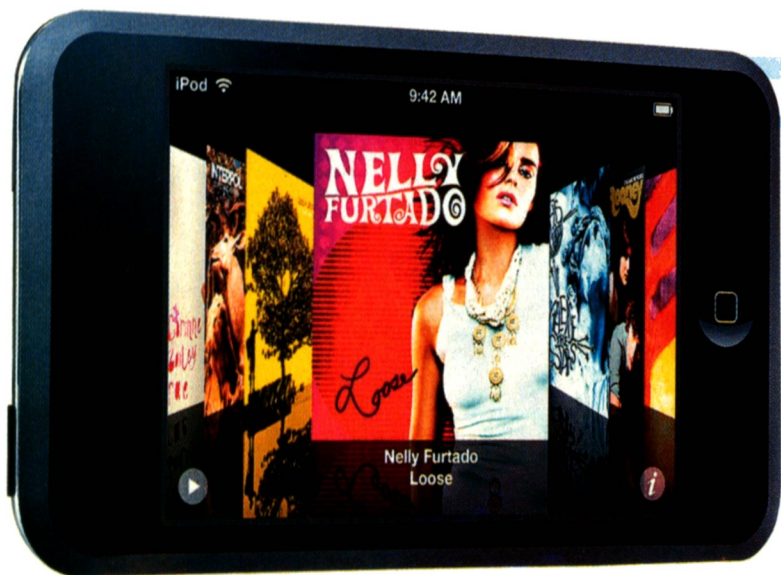

PRICE: Rs 1 lakh onwards

CANON IDS MARK III

SURE SHOT

The 21.1 megapixel camera sports a full-frame sensor, which delivers astounding image quality and creates new photographic possibilities. The camera sports a full-time sensor and can take images at an incredible speed of five shots per second and a burst rate of up to 12 RAW images. The image quality is further enhanced by its two on-board Digic III processors, which incorporate Canon's proprietary technology. Tough, high-durability body and shutter designs, combined with the unique EOS Integrated Cleaning System, set new standards for professional dependability. With 45 auto focus points, this camera is easily one of the best of its kinds.

PRICE: Rs 3.28 lakh (body only)

iPods

LET THE MUSIC PLAY

The iPod Touch is thinner than the iPhone with a 3.5-inch multi-touch screen. The iPod Classic's 80 GB model is slimmer than before while the 160 GB version has the highest capacity for a digital music player. The Shuffle now comes in five new colours.

PRICE: iPod Touch: Rs 23,600 (16 GB);

iPod Classic: Rs 20,400 (160 GB);

Shuffle: Rs 5,600 (1 GB)
