

► **A retreat to de-stress and relax**

Stress and anxiety melts away in the soothing warmth and comfort of the blizz far infra cabins. Add sensual aromas, pleasing colours and soft music and cherish the experience.

► **Controlled weight**

One session in Blizz Detox Cabin will burn as many as 900 calories in 30 minutes.

► **Cellulite clearance**

Through deep penetration of fat cells, radiant heat therapy will help clear away cellulite

► **Toxins removal**

The process of perspiration is nature's way of detoxifying your body of waste materials and accumulated toxins in your daily life. Blizz Detox stimulates this natural process at a comfortable, low temperature and radiant energy.

► **Relieves pain**

Radiant heat expands and dilates peripheral blood vessels. This action brings relief to muscles and soft tissue injuries.

► **Strengthened cardiovascular system**

As you use Blizz Detox, your heart pumps blood at a greater rate, giving you the same benefits as a cardiovascular workout.
