

## BREAK-UPS

Kareena Kapoor quit Shahid Kapur (above right) after four years of an infamous MMS clip, couples yoga, vegetarianism, and a combined career slowdown. They said goodbye with a heartwarming *Jab We Met* but Salman Rushdie and Padma Lakshmi (left) had no such luck. He was rumoured to be dating actor Carrie Fisher and ex-wife no. 4, now a presenter of Bravo's *Top Chef*, was cooking something with serial siren dater Teddy Forstmann. Lara Dutta (right) did a Jhoom Barabar Vroom to longtime boyfriend Kelly Dorjee and Sanjay Dutt, on the few days he was out of prison, waved a white feather at partner Sanjay Gupta.

**I am in love with myself,** with the God within me. I looked into the mirror with a hat on and said, 'My God, I look good'. It became my style onscreen.

## HOOK-UPS

Abhishek Bachchan and Aishwarya Rai conducted a very private romance and an even more private wedding, while another superstar's daughter Sristi (left) decided she couldn't wait to grow up and eloped with Shirish Bharadwaj. Hot male Sabeer Bhatia finally found his hot female in Baidyanath heir Tanya even as Saif Ali Khan (below) played footloose and fanciful, moving from Rosa Catalano to Kareena Kapoor.

## COMEBACK VETS

Age was just a number in 2007. At 42, Madhuri Dixit (left) glowed neon bright even as *Aaja Nachle* paled in comparison. At 40, Sarika's (below right) intensity lit up *Parzania*. Govinda (below left), at 49, matched Salman Khan step for smile and Tabu, at 37, made the fourth (or was it fifth?) comeback in her career.
