

KRISHNA MURARI KISHAN

V FOR VICTORY AND VIDYA

She was Bollywood's hit girl and on every fashionista's hit list. With three of **Vidya Balan's** (left) five releases—*Guru*, *Heyy Babyy* and *Bhool Bhulaiya*—doing well at the box office, the *Parineeta* girl became a star and attempted a makeover. Critics loved her acting and the fashion police hated her clothes.

SLAP HAPPY

Tamil director Sami slapped actor **Padmapriya** (below) and got banned for a year. His excuse that she didn't know how to act sounded a tad silly when Adoor Gopalakrishnan cast her in his new film, *Naalu Pennungal*.

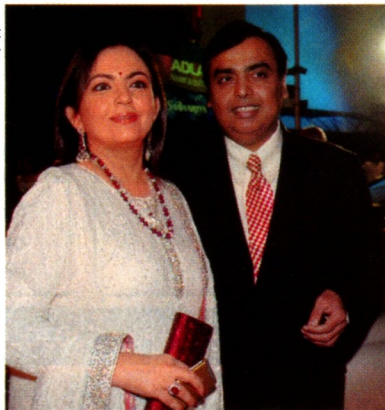

WESTWARD WOMEN

Celina Jaitley (left) went to Hollywood and came back with two New Zealand films, while **Aishwarya Rai**, after four years of trying, finally landed an A-list film, *The Return of the Pink Panther*, with Steve Martin. Hope this doesn't go straight to video like *The Last Legion*.

UNUSUAL GIFTS

Mukesh Ambani (left) gifted his wife **Neeta** a \$60-million (Rs 240 crore) Airbus 319 on her 44th birthday, **Shah Rukh Khan** gifted friend **Farah Khan** a Mercedes for *Om Shanti Om* and **Abhishek Bachchan** gave his beloved a salsa at Jalsa on her 34th birthday. What happened to flowers and chocolates?
