ARCHAEOLOGICAL SURVEY OF INDIA'S AFFIDAVIT IN SUPREME COURT

SOUTH SPARKS

Tamil Nadu Chief Minister M. Karunanidhi (top left) created waves by his remarks on Ram and the Ram Sethu issue after the Archaeological Survey of India stated that the structure (left) wasn't man-made, embarrassing the UPA Government. Undaunted by the storm of protest, he moved to ensure another dynastic extension by naming his son Stalin as his political successor in the DMK.
