

# Never before has thrilling felt so calm.

The new C-Class is here. Putting agility at your command.

**Excite your senses and soothe them at the same time.**

Enhanced engines in the new C-Class are combined with the AGILITY CONTROL system, which automatically adapts the suspension to changing road conditions, so you can hug winding curves more comfortably. The newly designed driver's seat has a lumbar support for greater wellbeing.

To create a more relaxed drive, the leather-clad multi-function steering wheel comes with a 4.5 inch display and twelve buttons that place essential controls at your fingertips. This is a car that needs to be driven to fully appreciate it. To feel the thrill, contact your nearest dealer.

**Experience the drive now.**
