

GAME FOR TV

Even **Mallika Sherawat** couldn't escape the lure of the small screen. The siren is set to participate in *Kaho Na Yaar Hai*—a game show in which celebs test the strength of their friendship—with producer Rangita Nandy and designer Anita Dongre. Says Star Plus Creative Director Anupama Mandloi, "They are excited. It's all about having fun with your friends." Here's to a friendly act.

Intricately Fast

It's passé to take two hours over intricate patterns of henna on your hand. Especially since UK-based henna artist **Ash Kumar**, 27, can do it in 18 seconds. Listed in the *Guinness Book of World Records* as the fastest henna artist, Kumar has designed a henna line inspired by *Jodhaa Akbar*. "I get inspiration from Indian music," says Kumar, whose clients include Julia Roberts, Calvin Klein, Abhishek Bachchan, Hrithik Roshan and Rani Mukherji. Fastest fingers first.

FINALLY FILMS

The will-she-won't-she has finally come to an end. **Aamna Shariff** aka Kashish, who gave up television to chase big screen ambitions, has, after claiming much newsprint, been cast opposite Aftab Shivdasani. The comedy will be directed by Robby Grewal, who refuses to say anything about the film. "It's a unique pair and that's why we cast them," is all he'll say.

Talented Item

Ram Gopal Varma has turned his attention to TV actor **Shama Sikander**. The *Yeh Meri Life Hai* girl will sizzle in an item number in his upcoming *Contract*. The 26-year-old is tightlipped about the song, talking instead about the yet-to-be-released *Dhoom Dhadaka*. "I want to do roles which allow me to show my talent," she says. What better way to do this than an item number.
