End-to-end e-governance solutions

Data Center Architecture at SHQ

Bharat Electronics Limited (BEL), India's foremost defence electronics company, provides turnkey e-governance system solutions for varied applications. APNET, a satellite network for Andhra Pradesh, connecting its capital to the district headquarters, and POLNET - for the Ministry of Home Affairs, a network linking 11,500 police stations across India with district, state and national headquarters, are a few of the e-governance networks set up by BEL. The EDUSAT network for distance education is also being implemented.

BEL designs and manufactures a wide range of products in the fields of Radars, Defence Communication, Naval Systems, Electronic Warfare, Electro Optics, Tank Electronics, Telecom and Broadcasting, Solar Photo Voltaics and Professional Electronic Components. BEL also offers Turnkey System Solutions for defence and civilian applications.
