

Express Indian Innovation Award

Mr. Jignesh Shah, MD & CEO, MCX, receiving the empi-Indian Express Indian Innovation Award from Shri A.P.J. Abdul Kalam.

empi-Indian EXPRESS
INDIAN INNOVATION
AWARDS 2006

Citation: "Awarded to Multi Commodity Exchange of India Ltd. for the innovative application of technology and establishing facilities and alliances to ensure wide dispersion of information and transparency of prices among stake holders from the village level upwards. MCX has revolutionized the Indian commodity markets and their innovations have opened up the potential of integrating India's large farm sector with the global network of commodity producers and consumers."

benefits of globalization to the masses.
