

Diagnosis, Treatment Services and DNB teaching programs". It has all the super speciality clinics which are run by specialist consultants. The facilities available are Digital Angiography, OCT, Topography, USG(A&B), Automated fields, Lasers i.e. Green, Endo, YAG and Lasik.

Dr. Kamal Kapur

■ SHARP SIGHT CENTRE — SHARP SIGHT CENTRE (Certified by Bausch and Lomb for excellence in cataract surgery bringing latest in eye care to Delhi). **Dr Kamal B. Kapur** is amongst two doctors in the country to be a member of APEX-an International organization with most respected cataract surgeons from different parts of the world. **Dr Samir Sud** is a member of "medical in services" of Bausch and Lomb-India. He frequently trains lasik surgeons from across India. Both are actively involved in training other eye surgeons in India and Abroad on regular basis. It is an ultra modern state of art eye center inaugurated by then Health Minister of India Sh. Shatrughan Sinha. It is the first center in Asia and the only one in Delhi/NCR to install worlds most advanced **Phacoemulsification** machine for **Cataract Removal "The STELLARIS"** (Bausch and Lomb). This machine can remove

cataract through 1-1.8 mm hole. A special **Intra Ocular Lens-MIL** can be inserted through this hole, most of other phacomachines require 3mm or above. This machine utilizes disposable packs for every patient for most optimal results, reducing this cut size gives immense benefits like Instant vision recovery, Best vision quality and Minimal post operative restriction or "Drive back surgery". Center has recently acquired worlds only **Solid State Lasik for Removal of Spectacles** compared to other machines which utilize toxic gases to generate laser, this utilizes solid state crystals. This ensures very accurate results. It has the Distinction of being one of the world's most accurate Lasik machines. **We are Income Tax Exempted certified, CGHS empanelled and with all cashless mediclaim facilities.**

Dr. Sameer Sud

■ SKINNOVATION — Skinnovatoin, the Laser Klinik, with about six years of experience in laser for dermatological treatment, and more then 1500 satisfied patients to its credit, is managed by some of the most experienced and well-known skin specialists in town **Dr RP Gupta** and **Dr Anil Ganjoo**. The center boasts of various lasers for hair removal including the long-pulse

Nd:YAG laser, long-pulse Alexandrite laser and the latest intense pulsed light. In addition to these facilities, one can avail of state-of-the-art Q-Switched Nd:YAG laser with 532 and 1064 nanometre wavelengths, to tackle all types of superficial and deep pigmented lesions like freckles, lentigines, melanocytic naevi, naevus of Ota, Becker's naevus etc. Superficial vascular lesions (birth marks) and teleangiectasis are treated with the long-pulse frequency doubled Nd:YAG laser and the intense pulsed light machine. Post-acne and other scars are treated with an ultra-pulse carbon dioxide laser, which is also used to remove tumours like warts, skin tags etc. ●

Homme. launches natural leather accessories.

The French footwear brand **Homme** introduces Exclusive Multi Utility Natural Leather Accessories in Indian Territory.

After celebrating a very successful launch of **Homme** branded Gents shoes in premium range in Indian Territory in Sep'06, in order to consolidate & strengthen the brand image and serve its valued customers, the Indian counterpart East Face Group has launched **Homme** Accessories.

Homme Accessories have Competitive pricing vis-à-vis quality with respect to other leading brands present in the market. The range includes Gents Wallets (MRP Rs.495/- onwards), Card Holders (MRP Rs.495/- onwards), Passport Holders (MRP Rs.1,095/- onwards), Belts (MRP Rs.695/- onwards), Key Holders (MRP Rs.495/- onwards), etc.

Whole range is imported with a blend of extra softness in mild leather and antique texture of leather in fashionable articles makes **Homme** Accessories more sought after. Selection of Tempting colors/ shades differentiates the product range from the commonly available accessories products in the market.

Homme Wallets have added "Mobile SIM card" holding provisions inside justifying its multi utility version for today's compulsorily mobile holding generation.

Some wallets come with additional smart single flip of card holder as a combo styling. Exclusivity of design, multi-utility benefits and body adaptability features make **Homme** Accessories unique.

Homme Accessories are available at all premium Footwear & Accessories Stores across the country.
