

# Inspiring Excellence: The Jaya Group of Colleges

**T**he Ragas Dental College and Hospital is a well-known dental educational institution in India. With a flourishing campus in Uthandi, ECR Road, it is the only college in India that the Malaysian government recognizes. It offers 9 post graduate and 2 PhD programmes as a part of the curriculum. For the past 15 years, it has been hosting eminent dental scientists from all over the world. It comes under the purview of the Jaya Group of Colleges founded in 1977. Today, dentistry has emerged as one of the in-demand careers. The Jaya group, therefore, has invested heavily in infrastructure including state-of-the-art health equipment that provides the students the right lab apparatuses to learn.

The instructional facility includes a practical problem-solving approach that helps students when they step out as professional dentists. To simulate a total real-life experience, students learn to work in a Dental Care Centre with reception area, primary and secondary care consulting areas, a clinical-skills lab, and a dispensary. With the focus on result-oriented teaching, students can take advantage of the best faculty, sophisticated lab equipment, and a well-stocked library. The top-quality facilities equip the students with applied skills, which secure them campus placements.

Many of the highest names in the field have appreciated the Jaya Group's academic

achievements. On 3rd May 2008 (Placement Day), Mr. Suresh Pillai, Country Manager - Recruitment & Staffing, Areva P&D India Ltd, issued offer letters to 800 students. **Without a doubt, the Jaya Group is the foremost educational institution in the field of dentistry in the city.**

**T**he Institute for Financial Management and Research (IFMR) is a leading business school with a strong focus on finance. Established in the year 1971, IFMR, over 35 years of operation, has built up a high quality knowledge base in finance, economics and management, through consultancy, research, executive training and teaching. It has established several centers of research, relevant for India, and prioritized research based teaching and training, as one of its core strengths. It is rated as 10th in intellectual capital.

## IFMR offers the following AICTE Approved Programmes:

- (1) 2-year fulltime Post Graduate Diploma in Management (General management with specialization in Finance, Marketing, Human Resources and IT & Operations)
- (2) 2-year fulltime Post Graduate Diploma in Financial Engineering (Niche programme focused on quantitative finance)
- (3) 2-year fulltime Post Graduate Diploma in Development and Sustainable Finance (Niche programme focused on development sector)
- (4) 3-year part time Post Graduate Diploma in Management. IFMR also conducts Management Development programmes for executives.

- (5) Ph.D programme, affiliated to the University of Madras.

The Institute has an excellent faculty with high scholastic and project consultancy achievements. With a large number of renowned companies visiting the campus every year, IFMR has a very good placement record with more than 15 leading corporates participating in the campus placement process for Full time PGDM Batch of 2006-08. 85% of the batch was placed on first day of the placement week within a matter of a few hours. On an average there were 1.37 offers per student on Day 1. The highest offer was made by UBS for Rs.8.5 lakhs, a commendable 13.3 % increase from last year's Rs.7.5lakhs. The average CTC is expected to be Rs 6.8 lakhs which will be an increase of 20.3 % from last year's Rs.5.6 lakhs.
